GARLIC ANYONE?

For those who like only a slight hint of
 garlic in salads, toss a clove of garlic into
 a bottle of vinegar. A delightful home-
 made garlic vinegar is on hand for salad
 dressings without messy preparation from
 garlic buds.

A HEAVY LOAD

Shoppers each year carry some 1,400 pounds of groceries home for each person in the family. The load, however, is about 100 pounds lighter than it was in the 1940's — partly because of increases in food processing, partly because of changes in consumer tastes.
