INFORMATION CONCERNING THE NEW POSTAL CODE SYSTEM

The Postal CODE is composed of both letters and numbers, in the form of ANA NAN, where "A" represents a letter of the alphabet, and "N" a number.

There is a space separating the first three characters, called Area Designator, from the last three, the Local Designator.

Once you have been given your Postal CODE, it is a permanent part of your address. Your Postal CODE will change only if you move.

ADDRESS CORRECTLY

Return address ensures prompt return in case of non-delivery.

Proper prepayment prevents delay in delivery.
