KEEP CLEAN

Place a piece of beeswax between
two pieces of flannel and rub your iron
over it occasionally. It will keep the
iron clean and help it to work
smoothly.

DISH DIVIDER

Use aluminum foil to divide an oblong baking dish. Place small amounts of leftovers in each section to warm. Not only does it have everything warm at one time, but it saves washing many pots and pans.

AVOID GOLD

When buying a carpet avoid gold as a solid color, because gold cut pile shows foot tracks, litter, dust and fuzz and requires much more care.

SUDS HINT

It is pretty messy when a washing machine bubbles over, so keep a box of salt in the laundry room to sprinkle on suds that threaten to overflow.

When in doubt about a telephone number, please look in the telephone directory first.

That helps you, helps others, and helps telephone people to do a better job for you.
