Alberta Government Telephones distributes to its customers as a general rule, one free copy of the customers exchange directory for each main or extension set. Copies of this and other directories published by Alberta Government Telephones may be obtained upon payment of the regular purchase price from the Directory Department at Calgary or by arrangement with your local business office.

The customer must not use any binder, cover holder or other attachments, except as provided or approved by Alberta Government Telephones.

Alberta Government Telephones shall not be liable for damages arising from errors or omissions in its directory listings, information service or reference of calls to another telephone number, or arising from omission of a listing from the directory and/or information records at the request of the customer or of any person purporting to act on his behalf; provided however that in the case of listings for which a specific charge applies, its liability for error or omission shall be limited to making a refund or cancellation of the charge computed at the monthly rate charged for each such listing for the period during which the error or omission continues.

Directory contents are copyrighted and must not be reproduced without permission.

11. TERMINATION OF SERVICE BY ALBERTA GOVERNMENT TELEPHONES

In the event of the customer being indebted to Alberta Government Telephones for previous service at the same or any other location, or in the event of default on the part of the customer in making payment of any amount owing by him to Alberta Government Telephones for current service, under any of its Tariffs or in complying with these conditions or using the service or equipment in contravention thereof or in any

way that, in Alberta Government Telephone's opinion, constitutes abuse, or fraudulent use, or an attempt to locate a person or transmit or receive a message without the payment of a message toll charge, Alberta Government Telephones may, without notice, suspend any or all of the services which it furnishes to the customer, until such amount or indebtedness has been paid and all violations have ceased or been remedied. Such action by Alberta Government Telephones shall not affect the customer's liability for the payment of all amounts owing by him to Alberta Government Telephones.

12. LIMITATION OF ALBERTA GOVERNMENT TELEPHONES LIABILITY

Alberta Government Telephones shall not be liable for any defacement or damage to the customer's premises resulting from Alberta Government Telephone's equipment and wiring on such premises or from the installation, maintenance or removal thereof, except that Alberta Government Telephones shall make good any damage caused by its negligence. In cases where the customer is not the owner of such premises, he shall indemnify and save Alberta Government Telephones harmless from claims for such defacement or damage.

The customer shall indemnify and save Alberta Government Telephones harmless against and from all claims for libel, slander or infringement of copyright arising from the material transmitted over its equipment and/or recorded; against and from all claims for infringement of patents arising from combining or using apparatus or systems of the customer with the equipment of Alberta Government Telephones; and against from all other claims arising out of any act or omission of the customer in connection with equipment provided by Alberta Government Telephones.
