general information

YOUR BUSINESS OFFICE REPRESENTATIVE

Your account is handled by a representative at the Business Office who will help you in any service requirement. She will arrange for new or additional telephone service, a move or disconnection of service, listings in the directory, and advertising. She will also answer questions about your bill or payments, and will furnish information on other telephone matters. **FOR BUSINESS OFFICE DIAL "0" (ZERO) AND ASK FOR BUSINESS OFFICE (NO TOLL CHARGE).**

THE "BEEP" TONE

If you hear a short beep tone about every 15 seconds it indicates that the person with whom you are talking is recording your conversation by means of an electrical recording machine connected to the line. The "beep" signal is produced automatically by a device which connects the recorder to the telephone line and is provided by the Telephone Company for your protection.

If you do not want a record made of what you are saying, ask the person with whom you are talking to disconnect his recording machine. When he disconnects his recorder, the signal is no longer heard.

Use of a recorder without this signal is not permitted.
