NEW! Tourism Guide & Maps

It is true that we are changing. We are constantly moving ahead to improve the service we provide. To offer you more choices, better solutions and greater value. We're working to keep you connected with the best the world of technology has to offer. Yet at heart we're still the company that's grown up with Alberta. We're here for you.

Part of Alberta

in many ways.

Since the TELUS name is new to you, we've been closely connected to your community for more than 90 years. The corporation, and its employees, contribute countless hours and

millions of dollars to community initiatives and projects across Alberta. We're committed to continue our support of

community support through the TELUS Bright Futures Foundation.

The TELUS Bright Futures Foundation strives to:

• Enrich the lives of Albertans through the application of friendly technology and services.

• Build responsible, successful, learning-based relationships in the community.

• Promote volunteerism and respect by focusing the investment of human and financial resources on priority community needs.

• Create community self-sufficiency.

Examples of TELUS community flagship programs are:

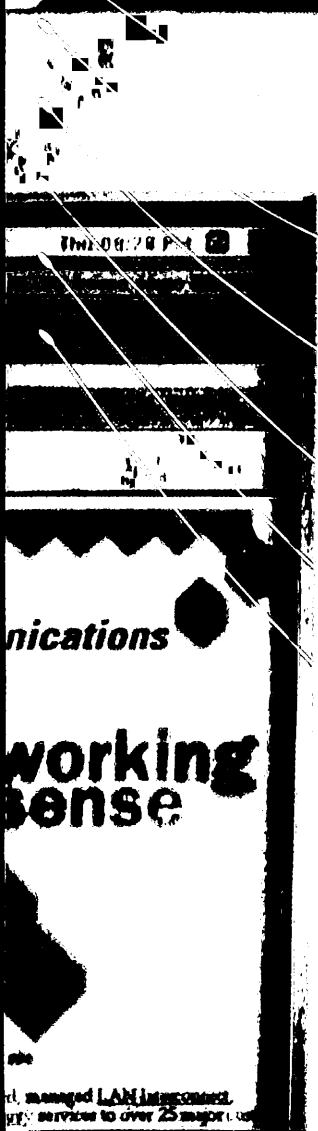

• **TELUS World Learning**, a \$7.2 million investment, connects Alberta schools to the Internet.

• **Project Blue Eagle™** provides adapted computers and training for special needs individuals across the province.

• **Feather Care™** converts buried cable markers into nesting boxes for many species of native Alberta birds.

• **Extension and Telephone Pioneer** programs facilitate the volunteer efforts of TELUS employees in all communities across Alberta. In addition, the company provides \$200 to charitable organizations for every 60 hours of community service volunteered by employees.

• **The TELUS Employee Charitable Trust** offers an opportunity for all TELUS employees to contribute to charities of their choice during an annual fund-raising campaign. As well, the corporation proportionately matches each employee donation.
