CLEANING FURNITURE

To remove accumulations of old, discolored wax on furniture, rub it with a piece of terrycloth toweling wrung out of a hot solution of sal soda concentrated. Use about three table-spoons of the sal to a quart of water. Rinse, wipe, and let thoroughly dry before rewaxing.

IRONING TIP

If you have a garment with woolen fabric laminated to foam, never let the iron touch the foam side. Use a pressing cloth to protect the foam.

GOING TO MOVE?

Don't forget the house you're leaving behind.

Here are some helpful hints.

1. See that all utilities have been disconnected or shut off (gas, electric, telephone, etc.)
2. Notify the milkman, paper boy or others who have been delivering to you regularly.
3. Notify the Post Office of your change of address.
4. Notify your insurance companies and secure records of transfer from school, church, bank, etc.
5. When you're in your new location have your change of address noted on your driver's license and automobile registration certificate.
