Can't Recall A Name? Look In  
The "Yellow Pages" Directory

4 GOOD REASONS FOR  
HANDLING COMPLAINTS  
BY LONG DISTANCE

You can talk over matters at once. Promptness often prevents loss of a customer.  
You can build closer relations with customers.  
You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

Behind on orders? Let handy YELLOW PAGES introduce the suppliers you need. It's fast convenient.  
Wise buyers say there's nothing like the YELLOW PAGES of your telephone book for getting in touch with almost everyone around who sells things, fixes things, does things. Try the YELLOW PAGES once . . . you'll use them often.

You can talk over matters at once. Promptness often prevents loss of a customer.
