People who are ready to buy turn first to the Yellow Pages. If you have something to sell or a service to offer, here's the place to tell about it. The "Yellow Pages" places your name, address and telephone number before the buyer at the very moment he wants your product or service. Call the business office for information.

Total Communications

AGT Business Systems
is your prime source for total communications. Trained professionals are ready to meet your needs with state-of-the-art equipment and comprehensive, province-wide service packages.

AGT Business Systems
is Alberta's largest supplier of voice and data products and services. Flexible financial plans are also available to suit your needs.

Call us today.

Don't forget to plan for concealed telephone conduit and convenient locations for telephone outlets when you build your new home. These built-in telephone facilities add real value to a home yet their cost is very small if they are installed during construction.

Your telephone will become one of your star salesmen if you will extend your sales territory by advertising in the **YELLOW PAGES**.

Remember, to the caller there is no such thing as an unimportant telephone call. Otherwise, he wouldn't have taken the time and trouble to call you in the first place.

If you need help quickly, the Classified Telephone Directory is the place to look. Roofers, painters, plumbers, and thousands of other services and dealers are listed in the Classified Telephone Directory for quick reference.

Put more sell in your selling day — with an advertisement in the Yellow Pages, you can reach more prospective customers by advertising in this handy buyer's guide. Thousands of people regularly use the Yellow Pages as an answer to their buying needs. If you have a product to sell, or a service to offer, here's the place to tell your prospects about it.
