4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once. Promptness often prevents loss of a customer.

You can build closer relations with customers.

You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

Behind on orders? Let handy YELLOW PAGES introduce the suppliers you need. It's fast convenient.

Wise buyers say there's nothing like the YELLOW PAGES of your telephone book for getting in touch with almost everyone around who sells things, fixes things, does things. Try the YELLOW PAGES once . . . you'll use them often.

You talk with the person in
authority.

You can handle situations
too delicate to handle
in writing.

You get the real reasons for
non-payment.

You can settle complaints
... make adjustments.

Service for Architects, Engineers and Builders: that's where to call if you're building a house and you want to arrange for special telephone outlets. This service is also available to builders of large apartment, office and industrial complexes.

Would you like a separate business listing under your own name in the Telephone Directory? Does anyone in your home wish a personal listing? The convenience of extra listings is great, the charge is small. Call A.G.T.
