Every employee of the telephone company carries an identification card. We suggest that you refuse access to your premises to anyone who represents himself as from the telephone company, but who cannot so identify himself.

Service for Architects, Engineers and Builders: that's where to call if you're building a house and you want to arrange for special telephone outlets. This service is also available to builders of large apartment, office and industrial complexes.

#### 4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once. Promptness often prevents loss of a customer.

You can build closer relations with customers.

You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

LONG  
DISTANCE  
...it costs  
less than  
you think.
