Don't forget to plan for concealed telephone conduit and convenient locations for telephone outlets when you build your new home. These built-in telephone facilities add real value to a home yet their cost is very small if they are installed during construction.

Results obtained through YELLOW PAGE advertising are greater than can be obtained through similar expenditures in any other form of advertising.

YELLOW PAGES get action!
 You Can Carry Your Firm's Name And Advertising Into The Homes And Business Places Of Your Best Prospects By Being Represented In The Classified Section Of The Telephone Directory.

People who are ready to buy turn first to the Yellow Pages. If you have something to sell or a service to offer, here's the place to tell about it. The "Yellow Pages" places your name, address and telephone number before the buyer at the very moment he wants your product or service. Call the business office for information.

LONG DISTANCE
is one of your most effective business communication tools. Reach more people, more often more efficiently - reach for the phone.

Compare your advertising in the "Yellow Pages" to your competitor's. What is your competitor offering? Do you offer more? Tell your customers all they need to know in your "Yellow Pages" ad.
