Get the Long Distance Feeling. Long Distance telephone calls meet many personal as well as business needs. Placing a Long Distance call can complete a business deal or bring pleasure to a friend or relative.

Use outdoor public telephones often. They're brightly lighted and located for your convenience in residential and business districts and along highway entrances to the city.

Would you like to get a larger share of business from the customers in your neighborhood? Then why not advertise in the Yellow Pages? Advertising in the Yellow Pages tells where to buy. Call the business office today for information about Yellow Pages advertising.
