Remember, to the caller there is no such thing as an unimportant telephone call. Otherwise, he wouldn't have taken the time and trouble to call you in the first place.

Use outdoor public telephones often. They're brightly lighted and located for your convenience in residential and business districts and along highway entrances to the city.

Put more sell in your selling day — with an advertisement in the Yellow Pages, you can reach more prospective customers by advertising in this handy buyer's guide. Thousands of people regularly use the "Yellow Pages" as an answer to their buying needs.

If you have a product to sell, or a service to offer, here's the place to tell your prospects about it.

Telephone service is a friendly service. The people who operate and maintain it take a genuine satisfaction in serving you pleasantly and well. People who use the telephone a great deal find that friendliness is an instinctive habit. The telephone helps folks to know each other better.
