BEWARE OF IMITATORS

AGT Directory representatives carry identification cards.
We suggest that you refuse access to your premises to anyone who represents themselves as the Yellow Pages directory company, but who cannot so identify themselves.

Don't forget to plan for concealed telephone conduit and convenient locations for telephone outlets when you build your new home. These built-in telephone facilities add real value to a home yet their cost is very small if they are installed during construction.

(CONTINUED NEXT LISTING PAGE)

Every employee of the AGT Directory company (Yellow Pages) carries an identification card.
