# The last thing you want to worry about is understanding the words.

Does it seem you need a lawyer and an interpreter.

You need a lawyer not a degree in Latin.

Let me put all the legal documents into 'plain language' for you.

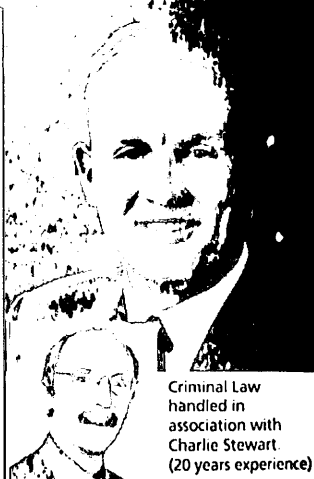

I believe that the law should be straightforward and accessible.

We speak the same language — English.

Not 'Legalese', written in Latin. Come to Canmore Legal Services and get plain language documents, straightforward service and tips on how to keep your legal costs down.

Professional legal service in plain English.

No mystery. No Latin. No problems.

Criminal Law handled in association with Charlie Stewart. (20 years experience)
