### New Alberta Area Code

Alberta has a second area code **780**, effective January 25, 1999. Look in the front of the TELUS White Pages under the **New Alberta Area Codes Page** for the communities that fall under the new area code. The southern part of the province retains area code **403**. Advertisers in area code 403 should show their area code in all their advertising into the telephone books of the 780 territories.

Building a home?  
Plan ahead and install  
concealed telephone  
conduits in the most  
convenient locations:  
bedrooms, the kitchen,  
the den or the family room.  
It's much easier and  
costs very little  
to put in additional  
phone jacks during  
construction. Plus, it adds  
to your home's value.

**ADVERTISING INFORMATION**  
 Telus Yellow Pages™ advertising is an efficient and effective way of reaching your customer. It is in virtually every home, store, hotel, & office, making it available 24 hours a day, 365 days a year. Most importantly, your potential customer uses the Yellow Pages™ - 9 out of 10 adults consult the book at least 34 times annually. Studies also show that over 90% of references to the Yellow Pages™ followed up with a phone call, visit or letter.

**4 GOOD REASONS FOR  
HANDLING COMPLAINTS  
BY LONG DISTANCE**

You can talk over matters at once.  
Promptness often prevents loss of a customer.

You can build closer relations with customers.

You can use tact in delicate situations.

And because people talk more freely than they write. You can frequently trace the real reason for the complaint and prevent similar complaints in the future.
