New Alberta Area Code

Alberta has a second
area code **780**,
effective January 25, 1999.

Look in the front of the TELUS
White Pages under the New
Alberta Area Codes Page for
the communities that fall
under the new area code. The
southern part of the province
retains area code **403**.
Advertisers in area code **403**
should show their area code in

Don't forget to plan for
concealed telephone conduit
and convenient locations
for telephone outlets
when you build your new
home. These built-in tele-
phone facilities add real
value to a home yet their
cost is very small if they
are installed during
construction.

Warning: Don't Call Any Printer until You Read This!

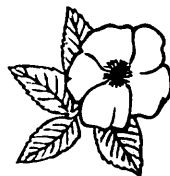

FREE Consumer Awareness Printing Guide. Would you like to know the seven most common mistakes people make when choosing a printer? Would you like to know the three easiest ways to save money on your next printing order?

You can also learn the five costly misconceptions about printing and how to avoid them. This book can teach you how to get a two-colour letterhead look for the price of a one-colour letterhead. One thing everyone needs to know is how to tell good printing from bad printing so that you can be guaranteed that no printer will take advantage of you.

The most important information you need to learn is the seven most common printing rip-offs. As an added bonus, we will tell you the ten reasons why its frustrating to deal with printers, and what you can do about it. Information is your only protection.

New Alberta Area Code

Alberta has a second
area code **780**,
effective January 25, 1999.

Look in the front of the TELUS White Pages under the New Alberta Area Codes Page for the communities that fall under the new area code. The southern part of the province retains area code 403. Advertisers in area code 403 should show their area code in all their advertising into the telephone books of the 780 territories.
