Don't forget to plan for concealed telephone conduit and convenient locations for telephone outlets when you build your new home. These built-in telephone facilities add real value to a home yet their cost is very small if they are installed during construction.

People who are ready to
buy turn first to the "Yellow
Pages." If you have something
to sell or a service
to offer, here's the
place to tell about it. The
"Yellow Pages" places your
name, address and tele-
phone number before the
buyer at the very moment
he wants your product or
service. Call the business
office for information.
