TELUS directories get

used on a regular basis.

Research shows Albertans use

their TELUS directories, on

average, 3 times a week. \*Take

advantage of one of the best

advertising mediums available.

Ads in the TELUS directories work hard for your business - 24 hours a day, 365 days a year. No other advertising medium is so well positioned to be in the right place at the right time. And, since TELUS directories are found in virtually every home and business in Alberta, your business is reaching virtually everyone.
