

ANNOYANCE TELEPHONE CALLS

The telephone in your home should be a pleasant and vital part of your everyday associations. It is the policy of Alberta Government Telephones to make sure you receive the best possible service from it.

Unfortunately, the service is often misused by persons who make annoying and obscene calls, often at random to our customers.

You, the customer, can assist in stopping this type of offence by following these rules:

1. Don't talk to prank callers or callers of whom you are doubtful. Don't be the gullible audience they seek.
2. Hang up at the first obscene or profane word. Hang up if the person refuses to speak. Remember, any sign on your part of indignation, fear, or interest only encourages future calls.
3. Don't panic at a telephone call reporting a death or emergency in your family. It may be a false report. Confirm the caller's identity and check the information before you accept the report as true.
4. If the offending calls persist, report the problem to your Alberta Government Telephones business office. We will assist and advise you, or refer you to the SECURITY DEPARTMENT, which can frequently help in identifying the origin of the calls and take action to stop them.

The customer can further assist by acquainting all persons who have access to his telephone, with the proper use of this service. Children frequently make annoyance calls without knowing this is wrong.

The Alberta Government Telephones will co-operate with law enforcement agencies with a view to curbing annoyance callers.

Section 23a. of the Alberta Government Telephones Act reads as follows:

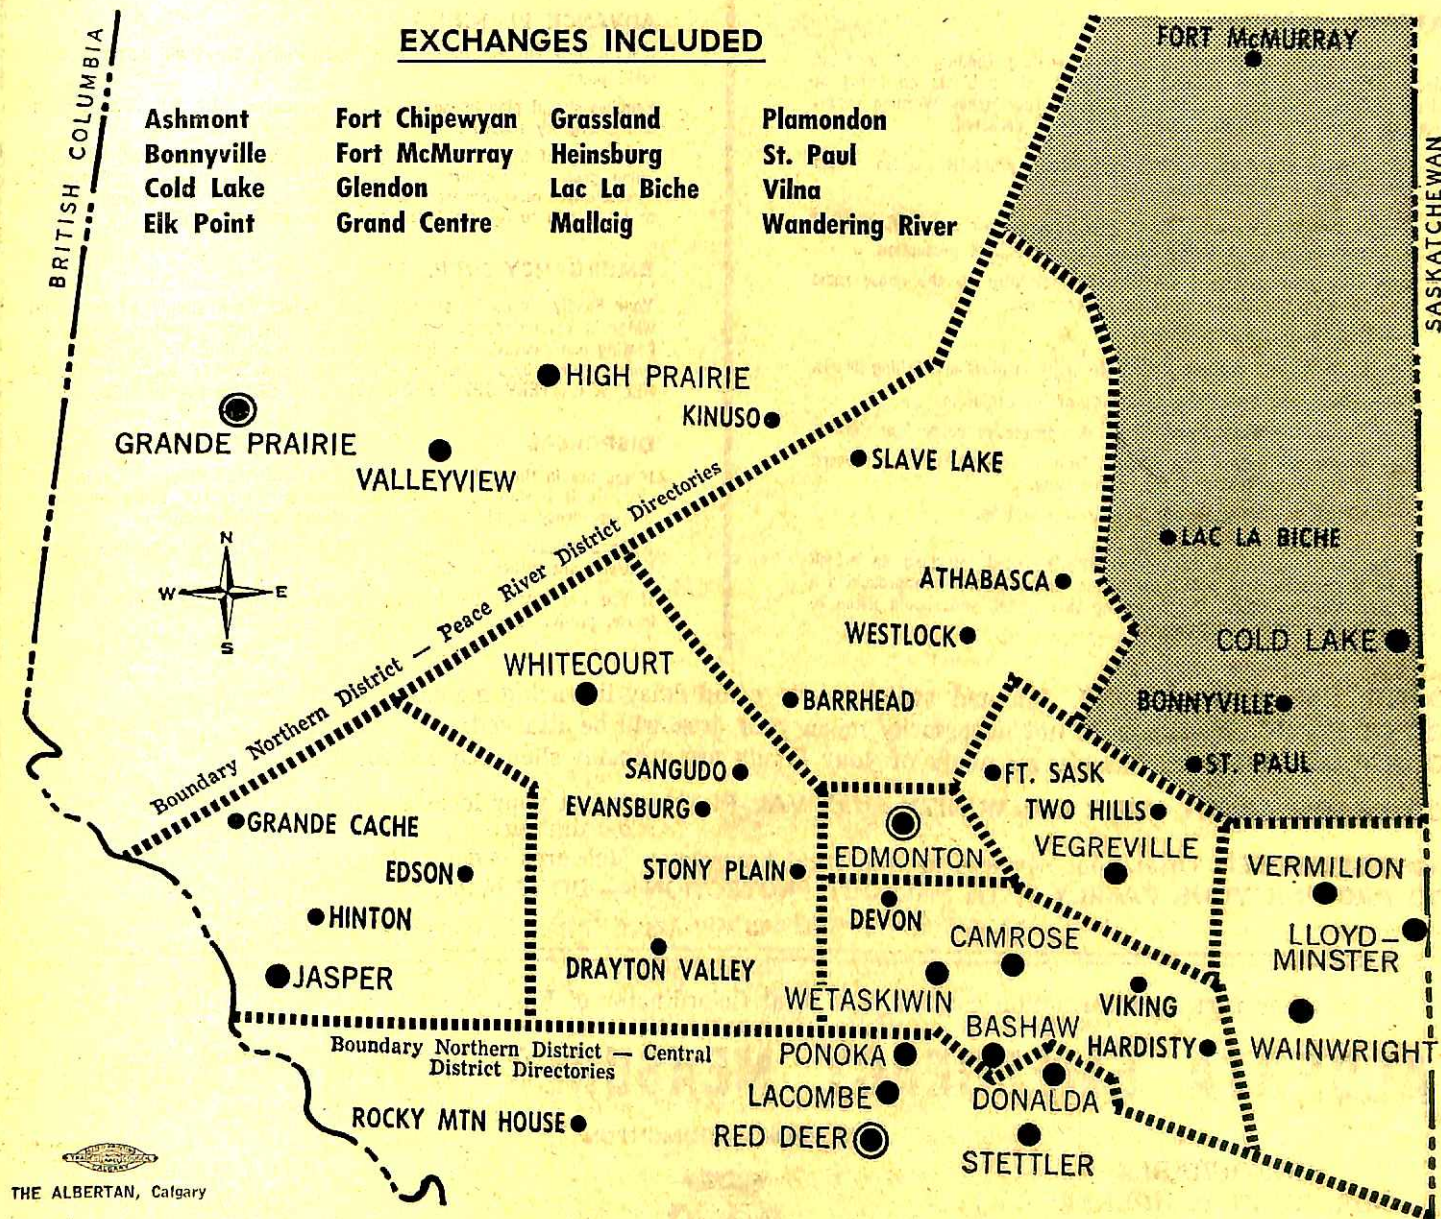

A person who uses profane, obscene or abusive language while talking on telecommunication or over a telecommunication wire or by other means interferes with the use or enjoyment of telecommunication is guilty of an offence and liable on summary conviction to a fine of not more than one hundred dollars or to imprisonment for not more than six months.

The Criminal Code of Canada also provides penalties for threatening or indecent telephone calls.

DECEMBER, 1972

A recent survey definitely proves — 1 out of every 7 Yellow Page Buyers makes a personal visit to the firm selected to buy what he wants after he has consulted the Yellow Pages. He is usually counted as a "drop-in" customer by the firm. Will your Yellow Page advertising direct these "drop-in" customers to you?
