4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

- 1 You can talk over matters at once — promptness often prevents loss of a customer.
- 2 You can use tact in delicate situations.
- 3 You can build closer relations with customers.
- 4 And because men talk more freely than they write, you can frequently trace the real reason for the complaint — and prevent similar complaints in the future.

You, too,
will enjoy
a basement
telephone

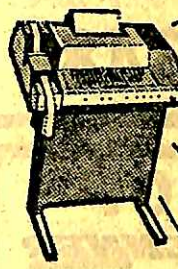

... it's a basic convenience for
better, modern living. A basement
phone saves rushing up and
down stairs, saves bother
—saves calls—saves you!
