FLAT BACON

Does your bacon curl up and shrink
in the pan? Try this when frying
bacon. Fry in regular frying pan
but place bottom of another pan
directly over the bacon itself —
then put it over a low flame. Result
— nice flat pieces of bacon.

Behind on orders? Let the handy Yellow Pages introduce the suppliers you need. It's fast, it's convenient. Wise buyers say there's nothing like the Yellow Pages of your telephone book for getting in touch with almost everyone around who sells things, fixes things, does things. Try them once . . . you'll use them often.
