## CARPET HINT

Grease and soot stains on a carpet may be removed by sprinkling with salt and rubbing vigorously. Several applications may be necessary. Old stains may be lightened considerably by rubbing with a salt and water paste. To restore freshness, wipe with a cloth or sponge which has been dipped in a strong salt solution and wrung out to remove excess moisture.

pleasing to the step.

**USING MORE SALAD OIL**  
Canadians are consuming more  
cooking and salad oils than they were  
20 years ago, and showing also a  
preference for vegetable oils. One  
reason — increasing popularity of  
salads in the diet.

2. Notify the milkman, paper boy or others who have been delivering to you regularly.
3. Notify the Post Office of your change of address.
4. Notify your insurance companies and secure records of transfer from school, church, bank, etc.
5. When you're in your new location have your change of address noted on your driver's license and automobile registration certificate.

### EASE YOUR EYES

Seamstresses should take a few min-  
utes off each half hour for the sake  
of their eyes. Close work over a long  
period of time can put strain on eyes  
and one way to lessen the fatigue is  
to glance off into the distance for a  
moment every now and then.

It's share-and-share-alike on a  
party-line. Be a good neighbor.
