QUANTITY GUIDE

As a general guide on quantity of fish to purchase, one pound of fillets will give three servings, one pound of steaks will give two to three servings.

SUDS HINT

It is pretty messy when a washing machine bubbles over, so keep a box of salt in the laundry room to sprinkle on suds that threaten to overflow.

SCRATCH WOODWORK

One way to repair deeply scratched
woodwork is by filling the scratches
with a mixture of fine sawdust and
spar varnish. After this filling has hard-

with fine sandpaper.
