CARPET LORE

Legend says that the first oriental rug was made as a substitute for a pavement in a Persian city. After seeing the lovely streets, a nomadic prince ordered his weavers to produce copies for his royal tent.

MORE INSTANT COFFEE USED

Canadians are drinking less coffee, or at least using fewer beans, than in the late 1940's. Part of the drop is due to introduction of instant coffee during the 1950's. Instant products now make up nearly one-fifth of total coffee consumption.
