MORE INSTANT COFFEE USED

Canadians are drinking less coffee, or at least using fewer beans, than in the late 1940's. Part of the drop is due to introduction of instant coffee during the 1950's. Instant products now make up nearly one-fifth of total coffee consumption.

SAVE ON FOIL

Use aluminum foil to line a small baking pan for oven-baked chicken. Saves on washing up and economical too when the same foil is used to wrap the baked chicken for storage in the refrigerator. Use in the same way for baking fish.
