Telephone service is a friendly service. The people who operate and maintain it take a genuine satisfaction in serving you pleasantly and well. People who use the telephone a great deal find that friendliness is an instinctive habit. The telephone helps folks to know each other better.

(CONTINUED NEXT LISTING PAGE)

Service for Architects, Engineers and Builders: that's where to call if you're building a house and you want to arrange for special telephone outlets. This service is also available to builders of large apartment, office and industrial complexes.
