4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once. Promptness often prevents loss of a customer.

You can build closer relations with customers.

You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

**BUYING BY TELEPHONE
IS PROFITABLE BECAUSE
YOU CAN:**

Talk over matters at once.
Discuss details of what
you want.

Get immediate agreement
on price, delivery and
shipping.

Control inventories
Keep ahead of competition.
Long Distance Pays.
