### 4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once.  
Promptness often prevents loss of a  
customer.

You can build closer relations with  
customers.

You can use tact in delicate situa-  
tions. And because people talk more  
freely than they write, you can fre-  
quently trace the real reason for the  
complaint and prevent similar com-  
plaints in the future.

Don't forget to plan for  
concealed telephone conduit  
and convenient locations  
for telephone outlets  
when you build your new  
home. These built-in tele-

value to a home yet their  
cost is very small if they

genuine satisfaction in serving  
you pleasantly and well. People  
who use the telephone a great
