If you need help quickly, the Classified Telephone Directory is the place to look. Roofers, painters, plumbers, and thousands of other services and dealers are listed in the Classified Telephone Directory for quick reference.

Prospective customers usually 'shop around' by telephone. Be sure they see your message — Classify all your products and services in the YELLOW PAGES.

We want to give you fast, dependable telephone service, and you can help us by keeping your directory near your telephone and calling "Directory Assistance" only when you do not find the number listed in the directory.
