**4 GOOD REASONS FOR  
 HANDLING COMPLAINTS  
 BY LONG DISTANCE**  
 You can talk over matters at once.  
 Promptness often prevents loss of a  
 customer.  
 You can build closer relations with  
 customers.  
 You can use tact in delicate situa-  
 tions. And because people talk more  
 freely than they write, you can fre-  
 quently trace the real reason for the  
 complaint and prevent similar com-  
 plaints in the future.
