**Communications Solutions for  
Alberta Business from AGT.**

Call on AGT for all your business  
communications needs!

Our communications specialists will work with you to design a solution that calls on the most advanced telecommunications in the world. Solutions that provide the added value of AGT's worldwide network and a range of equipment, service and maintenance packages to address your unique business requirements.

AGT's range of Service Packages and predictable, clearly-explained-charges take the "surprise" out of emergency repairs or regular maintenance. And you'll receive the same concerned attention whether or not your voice and data equipment was purchased from AGT.

Call on AGT. We have the communication solutions for Alberta businesses.

Don't forget to plan for  
concealed telephone conduit  
and convenient locations  
for telephone outlets  
when you build your new  
home. These built-in tele-  
phone facilities add real  
value to a home yet their  
cost is very small if they  
are installed during  
construction.

Don't forget to plan for concealed telephone conduit and convenient locations for telephone outlets when you build your new home. These built-in telephone facilities add real value to a home yet their cost is very small if they are installed during construction.

#### 4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once.  
Promptness often prevents loss of  
a customer.

You can build closer relations with  
customers.

You can use tact in delicate situa-  
tions. And because people talk more  
freely than they write, you can fre-  
quently trace the real reason for the  
complaint and prevent similar com-  
plaints in the future.

Don't forget to plan for  
concealed telephone conduit  
and convenient locations  
for telephone outlets  
when you build your new  
home. These built-in tele-  
phone facilities add real  
value to a home yet their  
cost is very small if they  
are installed during  
construction.
