People who are ready to buy turn first to the Yellow Pages. If you have something to sell or a service to offer, here's the place to tell about it. The "Yellow Pages" places your name, address and telephone number before the buyer at the very moment he wants your product or service. Call the business office for information.

LONG DISTANCE APPOINTMENTS
SAVE TIME & MONEY
Avoid wasted trips, Allow better planning of your time. Make certain you are expected. Avoid long delays in waiting to see people. Enable your prospects to prepare for your visits.

Don't forget to plan for concealed telephone conduit and convenient locations for telephone outlets when you build your new home. These built-in telephone facilities add real value to a home yet their cost is very small if they are installed during construction.
