Telephone service is a friendly  
service. The people who op-  
erate and maintain it take a  
genuine satisfaction in serving  
you pleasantly and well. People  
who use the telephone a great  
deal find that friendliness is an  
instinctive habit. The telephone  
helps folks to know each other  
better.

Don't forget to plan for concealed telephone conduit and convenient locations for telephone outlets when you build your new home. These built-in telephone facilities add real value to a home yet their cost is very small if they are installed during construction.
