Don't forget to plan for concealed telephone conduit and convenient locations for telephone outlets when you build your new home. These built-in telephone facilities add real value to a home yet their cost is very small if they are installed during construction.

A Personal note from the President!

THE ORIGINAL **ALBERTA** CARPET CLEANING
"ALWAYS A CLEAN STEP AHEAD"

Dear Customer,
We take our commitment to your personal environment seriously at Alberta Carpet Cleaning. That's why we use the Homesafe Thermo-Rinse truck-mounted steam-cleaning systems. Unlike ordinary cleaning methods that can leave potentially toxic chemical residues in your carpet, the fast drying Thermo-Rinse system uses a residue free clear water final rinse. Anything less just isn't carpet cleaning.

Yours truly
John Rudolph,
President

You'll be MISSED!
 If your ad in the YELLOW PAGES isn't under all the headings that describe your business . . .

DON'T KEEP IT A SECRET!
 Tell the ready-to-buy people about the products and services you sell. Advertise in the YELLOW pages! Display the brand names of the products you sell and repair. Make it easier for people to buy from you.

People who are ready to buy turn first to the "Yellow Pages." If you have something to sell or a service to offer, here's the place to tell about it. The "Yellow Pages" places your name, address and telephone number before the buyer at the very moment he wants your product or service. Call the business office for information.

4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once. Promptness often prevents loss of a customer.

You can build closer relations with customers.

You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.
