**4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE**  
You can talk over matters at once. Promptness often prevents loss of a customer.  
You can build closer relations with customers.  
You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

Don't forget to plan for concealed telephone conduit and convenient locations for telephone outlets when you build your new home. These built-in telephone facilities add real value to a home yet their cost is very small if they are installed during construction.

Don't forget to plan for concealed telephone conduit and convenient locations for telephone outlets when you build your new home. These built-in telephone facilities add real value to a home yet their cost is very small if they are installed during construction.

What in the world  
are **YOU**  
looking for?

TELUS has the directory to help you find it!

Find what you're looking for anywhere in the world! We have Yellow Pages™ directories available from just about any city in the world.

What are you looking for? Find it by calling TELUS Advertising Services at 530-5400 or 1-800-661-4260 for directories from around the world.

Also available for purchase is the Calgary Numerical and Street Address Directory. This dual purpose directory is issued twice per year.
