New Alberta Area Code

Alberta has a second
area code **780**,
effective January 25, 1999.

Look in the front of the TELUS
White Pages under the New
Alberta Area Codes Page for
the communities that fall
under the new area code. The
southern part of the province
retains area code **403**.
Advertisers in area code 403
should show their area code in
all their advertising into the
telephone books of
the 780 territories.

New Alberta Area Code

Alberta has a second area code **780**, effective January 25, 1999.

Look in the front of the TELUS White Pages under the New Alberta Area Codes Page for the communities that fall under the new area code. The southern part of the province retains area code **403**.

Advertisers in area code 403 should show their area code in all their advertising into the telephone books of the 780 territories.

4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once.
Promptness often prevents loss of a customer.

You can build closer relations with customers.

You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.
