Don't forget to plan for concealed telephone conduit and convenient locations for telephone outlets when you build your new home. These built-in telephone facilities add real value to a home yet their cost is very small if they are installed during construction.

TELUS™

New Alberta Area Code

Alberta has a second
 area code **780**,
 effective January 25, 1999.

Look in the front of the TELUS
 White Pages under the New
Alberta Area Codes Page for
 the communities that fall
 under the new area code. The
 southern part of the province
 retains area code **403**.
 Advertisers in area code 403
 should show their area code in
 all their advertising into the
 telephone books of
 the 780 territories.

People who are ready to
buy turn first to the "Yellow
Pages™" If you have something
to sell or a service
to offer, here's the
place to tell about it. The
"Yellow Pages™" places your
name, address and tele-
phone number before the
buyer at the very moment
he wants your product or
service. Call the business
office for information.

Don't forget to plan for concealed telephone conduit and convenient locations for telephone outlets when you build your new home. These built-in telephone facilities add real value to a home yet their cost is very small if they are installed during construction.
