### New Alberta Area Code

Alberta has a second area code **780**, effective January 25, 1999.

Look in the front of the TELUS White Pages under the **New Alberta Area Codes Page** for the communities that fall under the new area code. The southern part of the province retains area code **403**. Advertisers in area code **403** should show their area code in all their advertising into the telephone books of the **780** territories.
