4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE
 You can talk over matters at once. Promptness often prevents loss of a customer.
 You can build closer relations with customers.
 You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

DOES YOUR CARPET CLEANER MAKE YOU FEEL LIKE THE MOST SPECIAL PERSON ON EARTH? If not...maybe you should call The Brooks Carpet Clinic.

Have you ever had the feeling that your carpet cleaner doesn't care about your own busy schedule? Or your fear of your carpet and upholstery not being cleaned thoroughly and safely? Or your concerns about being overly charged for unsatisfactory work? Or cleaning that takes too long to dry? It can be highly frustrating. If you would rather have a carpet specialist who runs on time, offers free quotation services, cares about the needs of his clients, provides quality service at a reasonable price, then call The Brooks Carpet Clinic now. We will make you feel like the most special person on earth.

- We use hot water truck mounted equipment designed to kill and extract germs, bacteria and dust mites from carpet and upholstery that cause allergies.
- Our company employs certified technicians. Because of our training the carpet mills highly recommend our company for their carpets.
- We hold certification in nine different cleaning fields. This includes Master Cleaner. Only trained specialists are sent to care for your needs.
- We strive for the fastest drying time possible. Most of the time your carpets will dry in four hours or less.
- We provide additional services: twenty-four hour emergency call line for flood cleanup; carpet repairs and restretching; pet odor removal or treatment; upholstery and area rug cleaning and vacuum cleaner sales and service.
