DOES YOUR CARPET CLEANER MAKE YOU FEEL LIKE THE MOST SPECIAL PERSON ON EARTH? If not... maybe you should call the Brooks Carpet Clinic.

Have you ever had the feeling that your carpet cleaner doesn't care about your own busy schedule? Or your fear of your carpet and upholstery not being cleaned thoroughly and safely? Or your concerns about being overly charged for unsatisfactory work? Or cleaning that takes too long to dry? It can be highly frustrating. If you would rather have a carpet specialist who runs on time, offers free quotation services, cares about the needs of his clients, provides quality service at a reasonable price, then call The Brooks Carpet Clinic now. We will make you feel like the most special person on earth.

- We use hot water truck mounted equipment designed to kill and extract germs, bacteria and dust mites from carpet and upholstery that cause allergies.
- Our company employs certified technicians. Because of our training the carpet mills highly recommend our company for their carpets.
- We hold certification in nine different cleaning fields. This includes Master Cleaner. Only trained specialists are sent to care for your needs.
- We strive for the fastest drying time possible. Most of the time your carpets will dry in four hours or less.
- We provide additional services: twenty-four hour emergency call line for flood cleanup; carpet repairs and restretching; pet odor removal or treatment; upholstery and area rug cleaning and vacuum cleaner sales and service.

Breast Cancer Screening For Alberta Women

SCREEN TEST, a program of the Alberta Cancer Board, provides breast cancer screening with mammography and education on breast health. If you are 50-69 years old, and either due for your screening mammogram or never had a mammogram before, SCREEN TEST is for you.

For more information about when Screen Test is coming to your community, call:

Mobile (Long Distance) 1-800-667-0604

Edmonton (and area) 474-4300 **Calgary (and area) 262-4460**

For your health and peace of mind, make breast cancer screening part of your routine health care.
