THE SHAREHOLDER PUBLISHING AND PRINTING OFFICE, MONTREAL,

To Telephone Subscribers and the Public.

All persons employed by The Bell Telephone Company of Canada are compelled to wear a Badge similar to the Cut, and the Public is warned that parties desiring to enter buildings or premises for telephonic purposes should exhibit their Badges, and the numbers be noted, or they be refused entrance to premises.

THE BELL TELEPHONE CO. OF CANADA.

GENERAL INSTRUCTIONS.

To call the Telephone Exchange give the bell crank two or three sharp turns, then take the telephone from the hook, place it firmly to the ear and listen for the Operator, who should answer "Number, please."

Call Number.—Give the Operator the number of the subscriber's station required, giving the figures of the number separately, as "one-two-nine," instead of "one hundred and twenty-nine." The Operator will immediately connect your line with the number asked for, or notify you if the line is "busy."

Answer the calls on your bell promptly. Do not answer a call by ringing the bell, and do not ring your bell until you have finished, or you will be disconnected.

Face the transmitter with the mouth about two inches from the opening. Speak naturally, distinctly and not too rapidly.

When conversation is completed, ring once for disconnection. Your line will be reported "busy" until you do so. Replace the telephone on the hook with the opening downward.

Do not use the Telephone during a thunderstorm.

EXCHANGE SERVICE.

RULES AND REGULATIONS.

DESTROY PREVIOUS LISTS.

The right of the Subscriber is to use the instruments and connecting lines where the Company may place them, but not elsewhere, under such rules as the Company may from time to time prescribe. He shall not extend their use to other individuals, except his servants upon his business; nor shall they be used for any tolls or consideration to be paid by any person other than the subscriber; nor does this confer on him the right to use any other instrument.

A subscriber is not allowed to remove or otherwise interfere with the wire connections or parts of any telephone apparatus, leased from this Company.

Moving of Instruments.—The telephone is first located by the Company where the subscriber directs; if afterwards the instrument is required to be moved, such removal will be done by the Company at the expense of the subscriber.

Numbers.—Subscribers are requested not to advertise telephone numbers, but simply the word "Telephone," as it may be necessary to change such numbers.

The use of profane or improper language over the lines is strictly forbidden.

Complaints regarding inattention on the part of employees of the Company, or of interruptions to Exchange Service, should be made to the **Local Manager**. If the matter is not then satisfactorily arranged, notice should be sent to the **District Superintendent, Winnipeg**, or to the **Head Office, Montreal**.
