See That You Are Properly Listed In The Classified Telephone Directory

You name should appear under all headings which indicate the different kinds of merchandise you handle. Thousands of people use this Directory daily, and unless your business and telephone number are properly listed and adequately displayed, in both Classified and Alphabetical Sections, your more astute competitors are likely to capture orders which should reach you over the telephone.

If your present listing is unsatisfactory, if you desire a Classification that is not shown in the Directory, if you are in doubt as to the best method of advertising your goods, let us give you the benefit of our experience and advice
