IMPROVE YOUR TELEPHONE SERVICE!

By adopting the following suggestions you will get better service, save time and make your telephone a valuable business and social asset.

ON OUTGOING CALLS

Always consult the Directory to make sure you call the right number. If you do not find the name in the book, call "Information."

Speak clearly and distinctly, directly into the transmitter.

When you have finished talking, say "good-bye" and replace the receiver on the hook.

Be Courteous. Rudeness and indifference drive away trade; courtesy and attention secure it.

Be Brief. Time is of value to others as well as to yourself, and by unnecessarily monopolizing the telephone you are delaying service to other subscribers.

ON INCOMING CALLS

Answer your telephone promptly and courteously.

Announce your telephone number when answering a call. Don't say "Hello."

Listen attentively so that you will not have to ask the caller to repeat his message.

Remember, courtesy and consideration win friends for you; discourtesy and rudeness create enemies.
