Business College

513 EIGHTH AVENUE WEST, CALGARY

Largest - Strongest - Best

THE confidence of the public is the best testimonial any school can offer. It is eleven years since the Garbutt Business College was established. For ten years it has been the largest — strongest — best.

MARIE GAUTHIER
Champion Typist of Canada
A Garbutt Graduate

The annual enrolment of the Garbutt College greatly exceeds that of all other Business Colleges in the Province. Like all progressive institutions our school grows and expands. Those who attend the Garbutt School have the advantage of modern courses and methods compiled by experts. The best education is what you want—not the cheapest. The Garbutt School is athrob with life. It is a modern institution with high ideals, progressive ideas and sound methods of instruction. The cost of the course will be repaid you many times by our Business Efficiency class alone. It pays young people to receive instruction from the most successful Business College men in the business.

The Superior School

NINETY per cent. of our students come to us on the recommendation of former students. Our pay-when-you-get-a-position plan speaks of the demand for Garbutt graduates, as nothing else could. Our teachers are paid from \$30 to \$40 more per month than those of other Canadian Business Colleges. We pay not less than \$100 per month to our regular teachers. That means quality teachers. Ninety typewriters, a battery of Burrough's Calculators, Comptometers, Ledger Posting Machine, Multi-graph and Edison Dictaphone mean unequalled equipment. Our premises are light, airy, cooled in winter by electric fans and supplied with sanitary towels and individual drinking cups.

Members

of the National Association of Accredited Commercial Schools. These schools have standardized business education in the United States and Canada. They are schools of large performances rather than of large promises.

Evening Classes meet Monday,
Wednesday and Friday,
from 7.30 to 9.30

Individual instruction is given by competent and courteous teachers. We treat each student as if he were the only student. Here is the opportunity to increase your earning capacity and prepare for a better position.

Visitors Invited

Whether or not you wish to enrol, you are cordially invited to call at the college, visit the school, see the students at work and to discuss with us anything of interest.

A SCHOOL IS NO BETTER THAN ITS TEACHERS

Garbutt Auto & Tractor Institute

LIMITED :: CALGARY

The Quality School

WHEN you enter our Auto and Tractor School, you come under the care of master experts whose sole business and duty is to see that you learn the automobile and tractor business from A to Z—and know the why of every move you make. These instructors are very carefully chosen, not only for their knowledge and experience, but for their ability to teach others. We make a specialty of the electrical end of the business because that is the most difficult. The students learn all about magnetos, batteries, generators. Guessing won't help you with electricity. You must know why and how. Our instruction is practical. The students wear overalls and use tools. They must get into the grease to learn properly.

BLOCK TEST

OPPORTUNITIES

THE automobile and tractor business is the third business in size in the world and it has just begun to grow. There is a constantly increasing demand for trained men—Repairmen, Traction Engineers, Emergency Men or "Trouble Shooters," Starting and Lighting Experts, Demonstrators, Chauffeurs, Oxy-Welders and Vulcanizing Experts. The salaries range from \$70 to \$250 per month. Some earn more than this by going into business for themselves. The expert is a trained man and is paid for what he knows. That is why his pay is big. A course in our Tractor Department should be worth not less than \$750 to a tractor owner. It is worth this because it will double the life of the engine. Besides it will save experts' bills and delays from breakdowns.

Our Premises

City Public Market
Building, 4th Ave.
3rd St. E. Calgary

Six 40 ft. x 185 ft. Steam-heated, hot and cold water. Notice how well lighted it is. The right side of this building is used as a modern garage. The office and class rooms are at the left. In between are the Block Test, Tire Repair, Oxy-Welding and Tractor Departments.
