Largest - Strongest - Best

THE confidence of the public is the best testimonial any school can offer. It is twelve years since the Garbutt Business College was established. For eleven years it has been the largest — strongest — best.

The annual enrolment of the Garbutt College greatly exceeds that of all other Business Colleges in the Province. Like all progressive institutions our school grows and expands. Those who attend the Garbutt School have the advantage of modern courses and methods compiled by experts. The best education is what you want—not the cheapest. The Garbutt School is athrob with life. It is a modern institution with high ideals, progressive ideas and sound methods of instruction. The cost of the course will be repaid you many times by our Business Efficiency class alone. It pays young people to receive instruction from the most successful Business College men in the business.

MARIE GAUTHIER
Champion Typist of Canada
A Garbutt Graduate

The Superior School

NINETY per cent. of our students come to us on the recommendation of former students. Our pay-when-you-get-a-position plan speaks of the demand for Garbutt graduates, as nothing else could. Our premises are light, airy, cooled in summer and ventilated in winter by electric fans.

Character

Business Colleges have character just the same as men—character can not be purchased with advertising. It is the result of growth—growth and development of the right idea and spirit.

The Garbutt College has achieved a reputation for character that is fast becoming the dominant note in the Canadian Business College field.

Harmony and proportion in the various courses have helped bring about this standard.

Evening Classes meet Monday,
Wednesday and Friday,
from 7.30 to 9.30

Students Working in Tire Department

The Quality School

WHEN you enter our Auto and Tractor School, you come under the care of master experts whose sole business and duty is to see that you learn the automobile and tractor business from A to Z—and know the why of every move you make. These instructors are very carefully chosen, not only for their knowledge and experience, but for their ability to teach others. We make a specialty of the electrical end of the business because that is the most difficult. The students learn all about magnetos, batteries, generators. Guessing won't help you with electricity. You must know why and how. Our instruction is practical. The students wear overalls and use tools. They must get into the grease to learn properly.

C. C. HENDERSON, Principal

OPPORTUNITIES

THE automobile and tractor business is the third business in size in the world and it has just begun to grow. There is a constantly increasing demand for trained men—Repairmen, Traction Engineers, Emergency Men or "Trouble Shooters," Starting and Lighting Experts, Demonstrators, Chauffeurs, Oxy-Welders and Vulcanizing Experts. The salaries range from \$70 to \$250 per month. Some earn more than this by going into business for themselves. The expert is a trained man and is paid for what he knows. That is why his pay is big. A course in our Tractor Department should be worth not less than \$750 to a tractor owner. It is worth this because it will double the life of the engine. Besides it will save experts' bills and delays from breakdowns.
