Garbutt Business College

509 EIGHTH AVENUE WEST, CALGARY

We Are Members

of the National Association of Accredited Commercial Schools. These schools have standardized business education in the United States and Canada. They are schools of large performances rather than of large promises.

Evening Classes meet Monday,
Wednesday and Friday,
from 7.30 to 9.30

Individual instruction is given by competent and courteous teachers. We treat each student as if he were the only student. Here is the opportunity to increase your earning capacity and prepare for a better position.

Why?

Why did the Garbutt College, Calgary, enroll more than 800 students last year—more than all competitors combined? Our only Special Inducement is "Service." It pays to attend the Garbutt School—the largest, strongest, best.

Largest Strongest Best

The confidence of the public is the best testimonial any school can offer. It is twelve years since the Garbutt Business College was established. For eleven years it has been the largest—strongest—best. The annual enrolment of the Garbutt College greatly exceeds that of all other Business Colleges in the province. Like all progressive institutions, our school grows and expands. Those who attend the Garbutt School have the advantage of modern courses and methods compiled by experts. The best education is what you want—not the cheapest. The Garbutt School is athrob with life. It is a modern institution with high ideals, progressive ideas and sound methods of instruction. The cost of the course will be repaid you many times by our Business Efficiency class alone. It pays young people to receive instruction from the most successful Business College men in the business.

You May Enter Any Time

This Class was in attendance February, 1919. Our last year's class advertised us so well that this year our classes are from three to four times as large.

Our Students

We are proud of our students. Wherever they are located, they are "making good." Some are automobile mechanics; some, tractor engineers; others are chauffeurs, vulcanizers, battery repair-men, welders and garage owners. Write us for a list of students and the positions they are holding, and satisfy yourself of their success.

We have students from Vancouver to Newfoundland and from Salt Lake City to Peace River District. In our classes at present are men from South Dakota, Utah, Montana, Newfoundland, Prince Edward Island, Manitoba, Saskatchewan, British Columbia and Alberta.

A number of these are garage and tractor men of years of experience. They have come to us to take a finishing course, as we have facilities for instruction that no garage in the country can afford. Garages are endorsing our school. We have a number of sons of garage owners in attendance right now.

Repairs at Cost

We will overhaul or repair automobiles, tractors, tires, batteries and weld breakages at practically cost. Our students do this work under the closest supervision of our instructors.

Write us before sending in your work as this feature is so popular we cannot guarantee to accept unless notified in advance.

Write to Us

We want to hear from every man interested in an Automobile, Tractor, Tire Repair, Welding or Battery Course. A letter from you will bring some interesting and helpful information to you. Write for it now, or, better still, call if you can, and we shall show you our \$25,000 equipment which we have placed in one big school instead of spreading it over seven or eight schools.
