STENOGRAPHY is a pretty good business in itself; but as a stepping-stone to something bigger and better, there is nothing in all the world that quite equals it. Stenography puts you in a position where the lightnings of luck may strike you.

Positions Guaranteed

Our pay-after-you-graduate plan shows our confidence, as nothing else could, that we can place you in a splendid position when you complete your course. If you do your part by graduating, we will not ask you for a cent of tuition until you secure a position. Could anything be fairer than that? Do you think we would make this offer if there was any doubt in our minds of our ability to place you? We receive many more calls for office help than we can fill. So we feel we are not running any risk. No reputable, reliable school will guarantee you a position outright. We know we can help you to a good position if your character and habits are worthy and you do your part.

Typewriting

Typewriting needs to be taught as much as any other subject. We do not turn our students into the typewriting room and tell them to help themselves. We teach them. One teacher devotes her entire time to the teaching of typewriting, and during the busy season she has one or two assistants. This is only possible in a large school. In smaller schools the shorthand teacher devotes only a few minutes each day to this important subject. The little cut to the left illustrates one of the many exercises used in developing the hands of our typists. We use the gramophone to secure rhythm and accuracy. These up-to-date scientific methods are not in use in other schools, although they are producing amazing results in our school. A number of our students have typewritten over 100 words a minute. When you consider that a few years ago the world's championship was won at a rate of 73 words a minute, you will know what this means.

WE LEAD THE CONTINENT

For three years the Garbutt College has won more diplomas in Penmanship from the American Penman Publishing Company of New York than any other Business School on the continent. This is a record worth while as there are many larger schools in the United States. If there are any other schools that can equal this, they are in our class.

Write for Our Booklet—"What a Business College Training Does for a Boy or Girl"

Canada's Largest Motor School

This class was in attendance last year. It advertised us so well that this year our classes are from three to four times as large.

Our Students

We are proud of our students. Wherever they are located, they are "making good." Some are automobile mechanics; some, tractor engineers; others are chauffeurs, vulcanizers, battery repair-men, welders and garage owners. Write us for a list of students and the positions they are holding, and satisfy yourself of their success.

We have had students from Vancouver to Newfoundland and from Salt Lake City to Peace River District. In our classes have been men from South Dakota, Utah, Montana, Newfoundland, Prince Edward Island, Manitoba, Saskatchewan, British Columbia and Alberta.

A number of these are garage and tractor men of years of experience. They have come to us to take a finishing course, as we have facilities for instruction that no garage in the country can afford. Garages are endorsing our methods. Garage owners are sending their sons to us for training and are calling on us for mechanics.

Repairs at Cost

We will overhaul or repair automobiles, tractors, tires, batteries and weld breakages at practically cost.

Our students do this work under the closest supervision of our instructors.

Write us before sending in your work as this feature is so popular we cannot guarantee to accept unless notified in advance.

We have for sale new Cloverleaf Tires, guaranteed by the makers for 4,000 miles, at a price that will save you from \$5.00 to \$10.00. We also have new, guaranteed batteries for sale that will save the purchaser from \$6.00 to \$12.00.

Write--Investigate

We want to hear from every man interested in an Automobile, Tractor, Tire Repair, Welding or Battery Course. Write us today. The best way to judge a school is to make a personal inspection. We cordially invite you to visit our school and see for yourself what we have to offer. If you cannot come yourself, have you not a friend whose judgment you can trust, to investigate for you? It always pays to investigate carefully. We do not want you to come to us unless you are satisfied we can give you the instruction you desire. We know we can.
