NOTE:—When a particular person is desired, the Long Distance operator must be so advised when the call is placed, otherwise charges will be made from the time connection is established with the telephone desired, whether the party is obtained or not.

Appointment Calls

LONG DISTANCE SERVICE

Rules and Regulations—Continued

RATES AND CHARGES FOR LONG DISTANCE SERVICE

Long Distance Tolls will be charged to the subscriber from whose instrument the Long Distance call is placed, except those messages for which the receiving party expressly agrees to pay on the basis of a Person-to-Person Call.

All rates quoted are for an initial period of three minutes. For overtime beyond

the initial period a proportionate charge is made per minute.

The rates quoted on pages 9 and 10 are Station-to-Station Day Rates.

The Day rate for a Station-to-Station call is the fundamental rate upon which the rates for other classes of Service are based.

The rate for a completed Person-to-Person call, either Paid or Collect is approximately 25% higher than the corresponding Station-to-Station Day rate.

The rate for a completed Appointment or Messenger Call, including Written Messages and Telegrams, is approximately 50 per cent. higher than the corresponding Station-to-Station day rate.

Day rates only are used in computing charges on Person-to-Person, Appointment and Messenger Calls, including Written Messages and Telegrams.

Day rates only are in effect between points served by the Alberta Government and Saskatchewan Government Telephones.

The Kootenay Telephone Lines Ltd. (B.C.) Day and Night Rates are the same.

Evening and Night Rates

(These rates apply on Station-to-Station Calls only.)

Between 7 p.m. and 12 midnight the Station-to-Station rates are approximately one-half the Day rates and are known as "Evening Rates."

Between 12 midnight and 4.30 a.m. the Station-to-Station rates are approximately one-fourth the Day Rates and are known as "Night Rates."

(NOTE:—In no case shall the Evening or Night rate, as the case may be, be less than 25c for the initial period, unless the Day rate is less, in which case the Day, Evening and Night Rates shall be the same.)

Report Charges

Under certain conditions a Report Charge of approximately one-quarter of the Station-to-Station Day rate will be made on uncompleted Person-to-Person, Appointment and Messenger Calls, including Written Messages and Telegrams.

A Report Charge shall not be made on a Station-to-Station call under any condition.

SLOT MACHINE PAY STATION SERVICE

Slot Machine Telephones have been installed by the Department for the convenience of subscribers and the general public, in suitable locations throughout the Province, Local conversations may be had from these telephones at a charge of 5 cents for 5 minutes. Long Distance Service is furnished at regular tariff rates upon deposit of the amount of the initial charge (covering three minutes conversation) the usual charges being made for excess time.

Non-subscribers who desire to use Subscribers' telephones should be referred to the nearest Public Pay Station.

If there is anything about our rates and practices you do not fully understand, please call our Local Manager or Chief Operator and they will be glad to explain.

Unlimited Long Distance Connection

From all points in Alberta to all offices of the Mountain States Telephone and Telegraph Company in Montana

SELL YOUR GOODS by Telephone

Our Long Distance Service enables you to personally canvass Country Customers at a minimum of expense, and an enormous saving of time.

ADVERTISE your goods in the Telephone Directory and complete the sale on the Long Distance Telephone.

ALBERTA GOVERNMENT TELEPHONES

This Way —to Broader Markets

Right at your elbow is your Long Distance telephone. With it, you can talk with any of 100,000 telephones in Alberta, Saskatchewan and British Columbia.

"Clear the Way!" Long Distance seems to say—"here's an important message!"

For there is something impressive about a Long Distance call. The customer is favorably impressed before he knows what the message is about. And Long Distance gives you the right of way into every man's office. He can ignore your advertising, your letter, or even your traveller, but ignore a Long Distance call? Instinctively he reaches for the telephone!

Keep down selling expense. Use your "Silent Partner." You will be amazed to find how many people can be sold your product by Long Distance—quickly—economically.

If you have several calls to make, our Local Manager can arrange to have one follow the other. Think of him as the Manager of your telephone service. He can suggest ways of applying Station-to-Station service to your business.

THE ALBERTA GOVERNMENT TELEPHONES

Brings the Farm to Town

Now that he can order it at once by Long Distance from his favorite dealer in village, town or city, nothing is too good for the farmer. "You advertised a special sale of phonographs in today's paper. Ship me one"—he telephones.

Within the same convenient radius of your store are scores of thrifty house-wives who would be pleased to have a merchant solicit their trade by Long Distance. Even if a sale does not result, you have advertised your business in a very effective way. They will probably call when they come to town, or order from your advertising. It's human nature.

A tire dealer called up 29 strangers by Long Distance and sold tires to 8 of them. A follow-up letter or personal call later brought nearly all the others to his store.

Don't let your telephone idle. Long Distance can bring suburban prospects within sound of your voice. Turn it into a salesman, and keep it busy. Every other means of communication is a substitute for the voice—the voice is YOU.

Think of our Manager as the Manager of your Telephone Service.

A Good Investment

THE man who advertises wisely invests his money so that it will produce good dividends.

An Advertisement in the Alphabetical Section of the Telephone Directory is an investment that gives you the widest publicity you can obtain, at a minimum of cost. A series of head or foot lines, running through this section of the book, will familiarize the public with your name, and the service or commodity in which you specialize, to an extent that no other advertising medium can equal.

The Classified Section of the Telephone Directory brings you into direct touch with buyers—It reaches them at the psychological moment—when they want to buy something. Be sure that every branch of your business is properly classified—otherwise your trade may go to those who have availed themselves of the opportunity you have neglected.

Directory advertising is both effective and economical— Every time the Telephone is used the advertisements in the Directory become active salesmen!

Keep your name constantly before the buying public by advertising in both sections of the Telephone Directory, and the persistent reiteration of your sales message will prove to be a sound investment that will earn increased dividends for you.
